Southwest Real Estate Courses Set

With studies planned in Inglewood, Torrance and Compton, University Extension at UCLA in cooperation with the California Real Estate Assn., announces the fall certificate program in real estate for the Southwest area.

The professional program is designed for brokers, salesmen, escrow personnel, appraisers, and others in allied fields.

In Torrance, at North High School, 3620 W. 182nd St., the university plans courses in "Income Tax Aspects of Real Estate Transactions" starting Tuesday evening, Sept. 18 at 7 p.m. "Commercial and Investment Properties" starts Sept. 19 and is scheduled from 7 to 9:30 p.m. Both courses will meet for 12 consecutive weeks.

Also at North High School, "Trends and Factors Influencing Real Estate" and "Principles of Real Estate Appraisal" begin their series of 18 weekly meetings Tuesday, Sept. 18 at 7 p.m.

IN INGLEWOOD real estate courses given at George W. Crozier Junior High School, 151 N. Granville Ave., will include "Real Estate Finance" and "Advanced Real Estate Appraisal" opening Tuesday, Sept. 18 at 7 p.m. for a series of 18 meetings, and "Real Estate Exchanges and Taxation" scheduled to open Thursday, Sept. 20, for 12 weekly 7 p.m. meetings.

A Wednesday evening "Principles of Real Estate Appraisal" class for the Compton area will begin Sept. 19, with 18 weekly 7:30 p.m. meetings

at Compton College, 1111 E. Artesia Blvd.

Enrollment is limited in all courses, and University Extension offices at UCLA or 813 S. Hill St., Los Angeles 14, now are taking advanced registrations. Certificate program in real estate brochures containing course descriptions, fees and other information may be had free of charge on request.
